

License Monitor
by SuperVision

License Monitor

Continuously monitor driver license status, violations, motor vehicle record changes and more.

Easily supervise your fleet and manage your risks

License Monitor is the industry-leading, continuous driver license monitoring solution providing actionable data and motor vehicle reporting for commercial fleets. Only License Monitor continuously monitors driver motor vehicle records across the U.S. and Canada with faster and more frequent driver alerts, delivered on the easiest-to-use monitoring application.

Did you know?

7% of North American drivers have a suspended license

75% of those drivers continue to drive on a suspended license

39% of licenses are suspended for non-driving offenses
